## HOD Message:

I am very happy that our Information Science and Engineering department is releasing the issue of 'Volume 9, Issue 1, February 2022 as a forerunner of department activities. It is a technical platform to bring out the hidden talents of students and faculty. The major strength of the department is a team of well qualified and dedicated faculties who are continuously supporting the students for their academic excellence. Now we are almost at the end of the Semester. University exams are going to start from February 2022 onwards. It is the time for us to work hard for getting good results in exams. We have arranged several technical activities, for our 2nd, 3rd and 4th year students in this semester.

I hope that this newsletter will serve the purpose of reflecting all the activities of the department and I wish good luck to the entire team of editors and look forward to your kind patronage of our newsletter

## Chief Editor's Message:

It gives me immense pleasure that I was given the opportunity to work on First Edition (Volume 9 Issue 1) of the IS&E department Newsletter. As we all know, a newsletter mirrors a department -its vision and mission. It also highlights events, activities and academic progress and achievements. In this edition, I have tried to capture odd semester excitement and activities. I do hope that the newsletter encourages many more, including students, to use it as a platform to express their creativity. I sincerely hope that this edition makes for an interesting read.

Please feel free to offer any suggestions for improvement.

Sincerely,

**Ramesh Nayak**

# ISE Training and Placement Report

## 2021-2022

The current final-year students have participated in the internship. Total 59 students participated in the placement drive 55 students placed. The students have participated in the Mock interview conducted by our alumnae. The 7th sem students have attended two technical training sessions conducted by QSpiders Pvt. Ltd. 42 students have participated in training on “Training on Object-Oriented Concepts using java”. 7th sem 14 students are participated in “Training on JavaScript and React JS” training. All the training sessions are conducted through online and offline mode. Our 26 6th Semester students participated in a mock interview by MDC/EAC IEEE Bangalore Section. The Aptitude and Soft-skill training is held for all the students. For 7th Sem Company, Specific training was held for 5 days by Ethnus Pvt. Ltd. Total of 42 students have participated. For 3rd semester students, soft skill training was held for 4 days total of 52 students are participated. For 5th semester students, Aptitude training was held for 5 days total of 26 students are participated.

# Activity Conducted Under IIPC

## Activity1: Power Seminar

The virtual Power seminar was organised by the department of Information Science/Computer

- Science, IIPC cell, and ICT Academy on **Intelligent Automation**; A new era of innovation. The Virtual Power Seminar was organized on 28th Aug 2021 at 12:00 PM via the Microsoft Team's online platform. The Chief guest of the seminar was **Mr. Anurag Upadhyay**, Digital Transformation Consultant, PricewaterhouseCoopers(PwC). The seminar stresses career opportunities in automation, and applications in RPA.

A total of 29 students of 3rd year IS&E participated in the event.

## Activity 2: Industry Connect Programme

Industry connect programme was organized for 3rd year ISE & CSE students on 28th Oct 2021. The programme was conducted by 2 resource persons from Niveus Solutions Pvt Ltd., Mr. Suhan Shetty (Solutions Architect) and Ms. Shipra Rai (Vice President People Operations). All the 3rd year ISE students participated in the event.

# SOCIAL OUTREACH PROGRAM

Apart from academic performance, IS&E students are also performing well in Social Outreach Program (SOP). In SOP, students need to serve the society and build the report. Two activities are conducted by fifth semester students. Namely, helping local school students to achieve good results and enhance the school admission (enrolment) and Corona virus 3rd wave awareness.

**Activity 1** Fifth semester students approached D. K. Z. H. P School, Subhash Nagar, Mooda, Bantwal Taluk, South Canara

**Activity 2** Teaching individual students

**Activity 3** Fifth semester students creating Covid-19 third wave awareness and vaccine information sharing at Mangalore, Bantwal, Udupi, Kundapur, Bhatkal, Virajpete, and in Nelyadi

- A GitHub case study

# Technical Talk:

A technical talk on “Deep Learning and its applications in real time, a quick insight” has been organised by the department on 21st November, 2021 for the students of 5th and 7th semester. Prof. Abhishek S Rao, department of ISE, NMAMIT, Nitte, delivered the talk. A total of 60 students attended. The speaker explained the various applications of deep learning with case studies.

# EVENTS IN IS&E DEPARTMENT

## Teacher's Day Celebration

On account of Teacher's Day celebration, the department of Information Science and Engineering in association with CIPIX had organized three different events for the ISE students on 01-10-2021.

### 1. PRERANA (Essay Competition on Inspiration of Teachers on Students)

The topic given was: “**Inspiration of Teachers on Students**”. The event started at 2.30 PM. Time given was 1 hour 30 minutes. **Ravi Hithang** from 2nd year ISE won the event. **Chaitra Nayak** and **Mythri B** from 2nd year ISE were the runners of the event. **Prof. Ashwini**, English Lecture, Basic Science Department, Canara Engineering College was the judge for the event.

## 2. GROUPTGENICS (Group Discussion on Effect of pandemic Situation on Teaching Learning Process)

The Group Discussion was on the topic “**Effect of pandemic Situation on Teaching Learning Process**”. The event started at 3.00 PM. Time given was 30 minutes. Neha Mudhol from final year IS&E has bagged first prize in the event. **Prof. Ramesh Nayak**, Associate Professor, Dept. of Information Science and Engineering, Canara Engineering College was the judge for this event.

## 3. CardDeck (Greeting Card making on teacher's day)

Time limit was 1 hour 30 minutes. **Rithik K** from 2nd year ISE won the event and **Mehgashree** from 2nd year ISE got the 2nd prize in the event. **Prof. Shilpa B**, Assistant Professor, Dept. of Information Science and Engineering, Canara Engineering College was the judge for this event.

## ISE Branch Entry Program

IS&E department in association with department association – CIPIX had organized Branch Entry for 2019 and 2020 batch ISE students on 31-10-2021. The program began with a formal function. **Dr. Jagadeesh N**, Associate Professor and Head, Department of ISE, and **Dr. Krishna Prabhu**, Professor and Head, Department of Mechanical Engineering were the chief guests of the formal function. **Dr. Jagadeesh N** addressed the students regarding ISE branch and facilities in the department level. **Dr. Krishna Prabhu** addressed the students regarding the importance of computer programming in mechanical fields (Robotics). CIPIX president and the final year students gave a warm welcome for the 2nd year and 3rd year students. CIPIX team conducted various cultural events and games for the juniors.

# World Development Information Day - Poster Design Competition

The information and communications technologies have the potential to provide new solutions to development challenges, particularly in the context of globalization, and can foster economic growth, competitiveness, access to information and knowledge, poverty eradication, and social inclusion that will help to expedite the integration of all countries, especially developing countries, in particular the least developed countries, into the global economy. **World Development Information Day** was celebrated by organizing poster design competition by the IS&E department association – CIPIX on 23rd October 2021 for the 3rd semester students. **Ravi Hithang** from 3rd Sem, IS&E has bagged first prize for his attractive poster.

# DEPARTMENT ACTIVITY

1) Department activity on **Android** was conducted by **Krishnamurthy** from 3rd year student to 2nd year ISE as a part of Innovation Club Activity for skill enhancement.

## HIGHLIGHTS OF ANDROID ACTIVITY

**1. Installation of Android studio**

**2. Overview of Android Studio**

**3. Introduction to Java, building small mobile app.**

**Krishnamurthy** of 3rd year ISE presenting Android hands-on to second year ISE students

2) Department activity on **IOT** was conducted by **Udbhav U** from final year student to 2nd year ISE as a part of Innovation Club Activity for skill enhancement

**Udbhav U** of final year ISE presenting IOT hands-on to second year ISE students

3) Department activity on **Web Applications** was conducted by **Rohan, Suryanarayan** from 3rd years to 2nd year ISE as a part of Innovation Club Activity for skill enhancement.

## HIGHLIGHTS OF THE WEB ACTIVITY

1. How to use live server and default browser to see the resultant website that's formed
2. Difference between live server and default browser
3. Some shortcuts like exclamation mark to add the boiler plate, etc in Visual Studio Code
4. Adding images using the img tag
5. Setting the width and height of the image
6. What is iframe tag
