38th GOVERNING BODY MEETING ON 29.01.2026**

Opening Remarks:

Respected Members of the Governing Body of Canara Engineering College, it gives me immense pleasure to heartily welcome you all to this 38th Governing Body Meeting here today.

I also take this opportunity to convey heartfelt greetings to all faculty, staff and students of CEC for getting Autonomous status, NBA re-Accreditation, good admission and results.

I request Principal of the institution to take the proceedings further.

Institutional Report – 2024-25

1. APPROVAL OF MINUTES OF 37th GOVERNING COUNCIL MEETING:

37th Governing Council Meeting of Canara Engineering College (CEC), Sudhindra Nagar, Benjanapadavu, was held on 25-10-2025 at 11.00 am in the Board Room, of the institution.

Members present:

Sri. M. Ranganath Bhat

Sri. Pradeep G. Pai

Sri. C A Vaman Kamath*

Sri. K. Suresh Kamath *

Sri. T. Gopalkrishna Shenoy

Sri. A Gopal Rao*

Sri. Vinayak Kamath

Dr. Nagesh H.R

Dr. Demian Antony D'Mello

Dr. N. Venkatesh

Dr. Udaykumar K Shenoy #

Dr. Priya V Frank #

Dr. Nagesh Shenoy H #

(*Attended via on-line mode, # Special Invitees)

Points discussed:

38.1. Approval of the 37th G.C. MoM:

Minutes of the 37th G.C. Meeting were approved with Sri. M. Ranganath Bhat proposing it and Sri. Vasudeva Kamath approving the same.

38.2. Implementation of Suggestions given by Governing Council Members in the last GC Meeting and action taken report was discussed. The Council appreciated actions initiated on the suggestions.

38.3. The GC members congratulated principal, faculty and staff for getting autonomous status and re-accreditation of 3 programs by NBA.

38.4. They also acknowledged the efforts put in by the admission committee in getting satisfactory admission to the institution during 2024-25.

38.5. Appreciation was given for the results obtained during 2023-24.

Following Suggestions were forwarded by the members during 37th GC meeting.

1. Arrange more career guidance programs for students from industry personnel and alumni and Improve internships outside the institution in reputed companies
2. Encourage students to showcase their technical talents by providing a suitable platform.
3. Maintain good results in all semesters.
4. Improve the number of publications and collaborate with other top-class institutions to improve the publication quality.
5. Improve the number of PhD holders in the institution.
6. Emphasis should be to get NIRF rank in the next 3 years.
7. Consider appointing a full-time counsellor.
8. Consider improving energy conservation in the campus to make it self sustainable in energy requirements.

38.6. Principal then, briefed on the significant achievements of the institution during the year 2023-24. He then briefed on the agenda of the meeting proposing discussions on the same.

38.7. The team later visited the new facilities being created for new labs and classrooms for new programs of the institution.

The meeting ended at 1.00 p.m.

2. ACTION TAKEN ON SUGGESTIONS GIVEN BY THE G. C. MEMBERS IN THE LAST MEETING:

i. Arrange more industry-oriented training programs and Provide internships to students in reputed companies.

Industry specific training programs were organized and to improve internship opportunities for students in reputed companies, CEC has collaborated with TiE, Mangaluru chapter.

ii. Encourage students to showcase their technical talents by providing a suitable platform.

Each of the departments has conducted hackathons and ideathons to support students to showcase their talents. Outcome is seen in the form of winning prizes at Hackathon event organized by NMAMIT, Nitte and

recognition of the project work done by our students on e-waste management by Deputy Commissioner of Mangaluru under UDAL scheme of GoI.

iii. Maintain good results in all semesters

There has been a slight improvement in the 2nd year results during 2024-25 by a margin of 4% to 89%.

iv. Improve the number of PhD holders and publications and collaborate with other top-class institutions to improve the publication quality.

As on date, 28 faculties have completed their PhD, 5 more compared to last year and 79 faculties have registered for PhD at top institutions/Universities like VTU, MAHE, Nitte University, and Reva university. This has resulted in increase in the number of journal/conference / Books / Book chapter publications from 38 to 61 during 2024-25. Number of patents published has improved from 10 to 42 in 2024-25. The number will increase further in coming years.

v. Emphasis should be to get NIRF rank in the next 3 years.

In view of the requirements of NIRF, more emphasis is being given for publications in quality journals indexed in Scopus or Web of Science. With enhanced number of journal and patent publications, and increase in the admission status we are hopeful of getting into 200-300 band by 2028-29. During 2023-24, we scored 24.63 points in NIRF.

vi. Appointing an exclusive staff for counselling purpose as students are more emotional nowadays.

Mrs. Nanditha Chinivarda has been appointed as full time counsellor to cater to the personal and other emotional issues of students.

vii. Implement energy and water conservation systems to have zero carbon footprint in the campus.

We have added 60kW solar power generating system to the existing 140kW and due to which the electricity bills have come down by 60%.

IQAC Report 2024-25

3. ADMISSIONS:

APPROVAL OF AICTE'S EXTENSION OF APPROVAL (EOA) FOR 2026-27

During AY 2025-26 we have enhanced the intake of ISE from 120 to 180, ECE from 60 to 120. This makes the total sanctioned intake of 750 as against 630 during 2024-25. The SNQ quota stands at 38 seats.

Total admissions during 2025-26 are 571 as against the total intake of 750. 10 students have taken admissions to III semester via lateral entry. Currently, there are **2279 students studying** in this institution from all branches and years.

Branch wise break-up is given below:

Branch	Intake(2025-26)	I year	II year	III year	IV year
CSE	180+9	186	190	189	161
ISE	180+9	134	124	127	62
ECE	120+6	65	64	63	53
CSD	60+3	39	58	62	60
CSBS	60+3	22	56	61	60
AI & ML	120+6	123	127	128	63
Mechanical	30+2	2	0	0	0
Total	750	571	619	630	459

Total percentage of admission in 2025-26 = $571/750 = 76.13\%$

During 2026-27 we have applied for two PG programs as per the recommendation of Academic Council, MCA and MBA with 60 intake each and we have also asked to change the name of UG program CSBS to AI and DS.

Hence, the total intake for 2026-27 stands at 750 for UG and 120 for PG programs pending approval from competent authorities.

The list of programs are as follows:

- Artificial Intelligence and machine Learning – 120 seats
- Computer Science and Engineering – 180 seats
- Computer Science and Business Systems to be renamed as **Artificial Intelligence and Data Science*** – 60 seats
- Computer Science and Design – 60 seats
- Electronics and Communication Engineering – 120 seats
- Information Science and Engineering – 180 seats
- Mechanical Engineering – 30 seats
- **Master of Computer Application*** - 60 seats
- **Master of Business Administration*** – 60 seats

To meet the teaching requirements and maintaining SFR of 1: 20 following posts need to be sanctioned by the GB for further recruitment during 2026-27, subject to the pending approval of above mentioned programs and intake from competent authorities.

5. ACADEMIC PERFORMANCE:

It is observed that CEC has been on top of the chart when it comes to the matter of academic performance. Dedicated efforts of faculties and staff members, with modern infrastructure facilities and ICT tools, have ensured a good result for the college successively. During 2024-25 all exams were conducted in normal mode. It is observed that the average **result of all semesters is 88%**. On an average every year we have been getting around 90% results at the institute level.

As a feather to the cap, during 2024-25, CEC has secured 100% results in final year, 10 ranks and 2 honorary degrees.

7. CAREER ADVANCEMENT:

During 2024-25, a total of 3 research scholars has been awarded doctoral degree and one from our research centre. Currently, a total of **68 faculty members of our institute have registered for Part-time Ph.D.** at different Universities like VTU, MAHE, Nitte University, Reva University. 03 are expected to complete their doctoral degree by next year.

8. FINANCIAL ASSISTANCE TO FACULTY TOWARDS KNOWLEDGE UPGRADATION and R & D

Canara Engineering College provides financial assistance for FDPs, workshops, conferences, skill-enhancement programs, and membership dues for professional organizations. The reimbursement of travel expenses, including lodging costs and a daily allowance, is made in line with the regulations set forth from time to time by the Board of Management. **(Details are in Annexure I)**

10. SIGNIFICANT ACHIEVEMENTS & CONTRIBUTIONS BY STUDENTS:

A. Student Achievements – Technical

Summary: During 2024-25, to give more exposure to the outside world, emphasis was laid to make students participate in technical events such as paper presentations, project demonstrations, Hackathons, Ideathons, etc. not just within CEC but also in other institutions. A total of **726 students were involved in various technical activities.**

It is intended to give more support and encouragement for students to participate in outside events. These efforts are already giving results as our students are outperforming students from top institutions at the state/national level.

B. Co-curricular activities:

COURSERA, NPTEL & SPOKEN TUTORIALS

The Spoken Tutorial Project is about teaching and learning a particular FOSS (Free and Open-Source Software) like Python, Javascript, RDBMS, PHP & MySQL, Java, C/C++, CSS, BASH etc. via an easy Video tool - Spoken Tutorials. 18 Tests on various FOSS were conducted for the 2nd and 3rd year students of ECE, CSE, ME, IS, AIML, CSD and CSBS branches. Following table provides the details of Spoken Tutorial Tests/NPTEL certificates conducted in the academic year 2024-25, during which, **2483 students participated in Spoken tutorial certification program and 2127 students secured certificates and 109 NPTEL certificates** were obtained by students.

Courses like Full Stack, Cybersecurity were offered under Coursera and other MOOC platforms. 84 students got the certificate. **(Details in Annexure -III)**

C. Internships:

During 2024-25, **467 students** have completed their internships at various MNCs, startups as part of their technical internship programs.

They have done their internships at Multinational companies based in Bengaluru viz., Q-Spiders, Accolade Solution, Niveus Solution, CSS corp, VIS network pvt. Ltd. Abhimo Technologies, Kakunje software, GT and TC, Automation cloud solution, Dregal - I, Corizo,, VI solutions, Calypso Innovations, Diya Systems, Dlithe consultancy pvt. Ltd. etc.

D. Institutional Innovation Council (IIC) activities

During 2024-25, we have conducted **47 activities** related to Innovation, and future technologies as per AICTE's calendar of events. We have adopted 3 schools with ATL and training activities for school children are being undertaken. During 2024-25 we have scored 3-star rating with 58.66 points.

During 2024-25, we uploaded 10 products at YUKTI Innovation Challenge and 4 products under AICTE productization fellowship. Out of these 7 products have been presented at IIC regional meet, Bengaluru. Results are awaited.

E. Student achievements – Extra curricular

During 2024-25, students participated in 49 sports and cultural events and **won 40 prizes** at VTU level tournaments.

In addition to these, students conducted college level sports like Canara badminton league, Canara Cricket League, Canara Football League, Canara Kabaddi League, Canara Volleyball League and Sports day conducting the events separately for both

girls and boys. This demonstrated our commitment to gender equality **(Details in Annexure – IV and V)**

F. NSS activities:

CEC has always supported events of social concern and awareness creation under NSS and AICTE’s Social Outreach Program scheme. During 2024-25. A total of **14 programs** from NSS wing were conducted with more than 400 students involved in different events and camps.

In addition to NSS activities, **264 Social Outreach Programs (SOP)** in the areas of awareness programs, tutoring school children with technology, swatch Bharath Abhiyan programs, technical support activities to community, and surveys were conducted as part of AICTE activity points. **(Details in Annexure -VI)**

11. STUDENT TRAINING DETAILS:

In order to make students get abreast of what the industry needs and hence plugging the gap between industry and academia, soft skills and technical training has been made an integral part of the learning process at CEC. Project based teaching related to C, Data Structures, SQL and JAVA are imparted. In addition to technical training, soft skill skills training to improve Aptitude and communication skills are also taught with industry specific curriculum.

During 2024-25, **184 hours of technical and 112 hours of soft skill training** have been imparted to students. **(Details in Annexure -VIII)**

12. PLACEMENT AND HIGHER STUDIES DETAILS

During 2024-25, **120 companies visited the campus and selected 264 students** via on-campus and off-campus placements. **(Details in Annexure -IX)**

13. STUDENT WELFARE ACTIVITIES:

The driving force behind any student participation is the Student Welfare Office. At CEC relentless efforts are being made to provide an appropriate platform to students to showcase their talents and boost holistic development while creating a secure environment for students.

During 2024-25, we continued our focus on student club activities as per the aspirations of students. **175 activities** were conducted under Dean, student welfare and 12 student clubs. Activities belong to different facets of personality development, induction programs, Social connect programs, sports and cultural activities and that improves the overall personality of a student with all round development. A space is given to every student to display their hidden potential and talent during the events without any prejudice or gender bias. Almost every student on the campus was involved in one or more events. **(Details in Annexure - X)**

In order to mentor the students and support them to overcome difficulties related to academics, and personal issues, Student counselling is given the highest priority to support students to overcome any sort of issues. During 2024-25, **48 students were counselled in 84 sessions**. To create awareness among faculty and students, 15 programs were also organized involving experts in the field of mentoring and counselling.

PU Connect programs are being conducted every year to build brand image of CEC and promote our achievements to aspiring engineering students. We also conduct skill enhancement programs to PU students as a rapport building and goodwill measure. During 2024-25, **115 colleges were visited for career guidance, and 11 skill enhancement activities** were conducted.

14. SCHOLARSHIPS:

At CEC, students are made aware of the management and Government schemes on scholarships. Every year our students receive scholarships from private and Government bodies.

During 2024-25, Our Management and other private bodies distributed Rs. 17,99,000.00/- to 76 students. In addition, 455 scholarships worth 1.06 crores are received from the Govt. **In total more than 550 students have received scholarships worth 1.18 crores during 2024-25. (Details in ANNEXURE XI)**

Self Learning Initiatives

Self-Learning Cell

Closure Report for the Academic Year 2024-25

The Self-Learning Cell facilitates learning beyond the classroom by promoting self-paced education through recognized platforms. It actively encourages students and faculty to enhance their skills via MOOCs (Massive Open Online Courses) under various platforms like NPTEL, Coursera, etc. and the **Spoken Tutorial initiative** of IIT Bombay.

Spoken Tutorial:

II year AIML – Advanced CPP Test

II year CSD – PHP and MySQL Test

The **Spoken Tutorial Project** focuses on teaching and learning various **Free and Open Source Software (FOSS)** such as RDBMS PostgreSQL, Python 3.4.3, Android App using Kotlin, Arduino, BASH, Java, C/C++, JavaScript, Biopython, Git, and more through easy-to-understand video tutorials. These Spoken Tutorials serve as a powerful tool to support self-paced learning. During the academic year **2024–25**, a total of **twenty five tests** were conducted across different FOSS topics for students of **ECE, CSE, ISE, CSBS, CSD, and AIML** branches from **1st, 2nd, and 3rd year**. The table below outlines the details of the tests conducted.

#	Tests Conducted	Participants	Certificate Issued
Odd Semester	12	1042	947
Even Semester	13	1441	1180
Total	25	2483	2127

In July- Dec 2024 semester of *NPTEL* a total no. of 15 students and 13 faculty members have successfully completed the courses offered by various IITs. One faculty has secured 2% topper and 5% topper in their respective courses. One student has secured 81% and Elite + Silver Badge in the course ‘Software Conceptual Design’ offered by IIT Bombay.

In Jan-Apr 2025 semester a total no. of 13 faculties have obtained online certification with 01 faculty securing 1% topper in the course ‘Sensors and Actuators’. Total No. of Students Certified is 94 with 06 students achieving the exceptional Elite + Gold Badge and 26 students obtaining the Elite + Silver certification. 03 students secured 1% topper and 01 student secured 2% topper with one student securing 5% topper in the course ‘Programming in Java’. 01 faculty has obtained the mentor certificate. Following Table provides the details of NPTEL courses in the academic year 2024-25
